Keeping up with water tanks
and daily maintenance.

PRAYER

Ed (Kris's husband) has brain cancer is shrinking please continue to pray for healing. Michelle's (Cisco) brother cancer pray doctors can heal him.

Jim Polsfut (Buckeye) has cancer pray for healing. George's Acute myeloma Pray for continuing healing.

Our country.

I Don't want To Do It My Way

Whenever there's a problem, or some trouble anywhere,
The first thing I'm inclined to do is talk to God in prayer.

I tell the Lord the problem, and I pray He'll right the wrong,
But then I feel it's up to me to help the Lord along.

As if fenced in, I plunge ahead to open up the gate,
And find it hard to listen when the Lord tells me to wait.

I tell myself I know the Lord is able for the task,
And if He needed help from me, I'm sure that He would ask,

But still I run full speed ahead and sometimes harm's been done
Because I've tried to fix things and not listened to God's Son.

I know the Lord will work all things together for the best,
And He wants me to pray and trust and let Him do the rest,

So when I want to dominate, and jump into the fray,
I pray I'll give God full control, and let Him have his way.

Betty Jo Mings

Did You Know?

- Cats have over 100 different vocal sounds, but dogs only have about 10.
- Male seahorses are the ones that carry babies, not the females!
- A snail can sleep for three years without waking up.
- Ketchup was sold as medicine in the 1830s for indigestion.
- Pineapples were once so expensive, people rented them for parties to show wealth.
- Apples float in water because they are 25percent air.
- George Washington had wooden teeth, but they weren't made of wood: they were actually animal teeth.
- The Great Fire of London ended the outbreak of the bubonic plague.
- The Eiffel Tower can be 15 cm taller during hot days due to metal expansion.
- Water can freeze and boil at the same time in a process called "triple point."
- Your stomach has to produce a new layer of mucus every two weeks to avoid digesting itself.

Very little is needed to make a happy life; it is all
within yourself, in your way of thinking.

Marcus Aurelius
