Watch for the February bulletin when the fun horse show will be posted. Fun for All

NEW LESSONS

Anna Cort

JANUARY SCHEDULE

Jan 1 – New Year's Day

Jan 19 – Martin Luther

King Jr. Day

MAINTENANCE

Normal up-keep. Things have slowed down due to the cold weather.

JUST A REMINDER

Please check the rules for the indoor arena posted next to the entrance doors. No turnout, please pick up after your horse.

Also, when turning out your horse remember riders have priority over turnout.

Thank to everyone for helping us keep things clean.

PRAYERS

Kristina has reoccurring cancer. Pray for healing as she goes thru kemo.

Mary after knee surgery pray for healing.

Art in Afghanistan pray for safety.

Our country and people fighting for our

THE BATTLE

I've made a lot of New Year's resolutions,
 And some have not survived a single day,
 Although I've had the highest of intentions,
 They've somehow seemed to slowly slip away.

And endless are new leaves that I've turned over,
 While planning for a spotless your ahead,
 And worrying about things in the future,
 With problems I anticipate and dread.

I've carried lots of weight upon my shoulders,
 While searching for solutions on my own,
 And sunk into the throes of deep depression,
 Remembering the failures I have known.

But when at last I turned in deep contrition,
 And sought the Lord's forgiveness for my sin,
 I found that He would lift the heavy burden,
 And give me peace and comfort once again.

He tells me not to fret about tomorrow,
 But trust that He'll supply my needs each day,
 The more that I surrender to His leading,
 The more I am victorious in the fray.

Betty Jo Mings.

"Did You Know"

- Ants tend to survive in a microwave because they find the coolest spot and wait!
- Playing video games like Call of Duty or Assassin's Creed can boost your ability to learn motor skills.
- A cow produces around 200,000 glasses of milk in her lifetime.
- There's a book titled "Everything men know about women" that has over 100 blank pages.
- A Native American tribe in South Dakota collects bottle caps left by campers, using them as currency. Several banks in the area now recognize the caps as legal tender.
- Acts of kindness make us happier and healthier.
- Japan's Okinawa Island has more than 450 people living above the age of 100, and is known as the healthiest place on Earth.
- At age 12, Simon Cowell was arrested for hijacking a bus with a toy gun.
- 7.6 million Christmas trees are sold each year.
- The twelve days of Christmas are the days between Christmas Day and Epiphany (6th of January) and represent the length of time it took for the wise men from the East to visit the manger of Jesus after his birth.
