for continuing healing.
Thomas (Kris's son) pray for
safety.
Our country.

Did You Know?

God's Love

God loved me in the Springtime,
When life was fresh and new.
Though I was weak and childish,
His caring saw me through.

God loved me in the Summer,
When I would plunge headlong
Through all my foolish choices,
Yet still His love was strong.

God loved me in the Autumn.
Each time I turned around
And asked for His forgiveness,
His steady arms I found.

God loves me in the Winter.
Each day I feel love's glow.
I'm constantly astounded
That He should love me so!

Betty Jo Mings

- Your heart beats an average of 1000,000 times each day.
- Billy goats urinate on their own heads to smell more attractive to females.
- The first animals to travel to outer space were fruit flies.
- Dolphins can hold their breath under water for 8 to 10 min.
- The first recorded recipe is over 4,000 years old, dating back to ancient Sumeria.
- Honey never spoils; archaeologists have found pots of honey in ancient Egyptian tombs that are over 3,000 years old and still edible.
- Fathers tend to determine the height of their child, and mothers their weight.
- In 2003, a Boeing 727-223 was stolen from an airport in Angola. Despite a worldwide search, it still has not been found.
- There is a prison in Brazil that allows inmates to pedal stationary bicycles, providing electricity to a nearby city in exchange for reduced sentences.
- There is enough energy in one bolt of lightning to power a home for two weeks!
- 9 out of 10 lightning strike victims survive!
- Dunkin' Donuts in South Korea started spraying coffee aroma into public buses every time their jingle played. Coffee sales increased 29%.
- It's not possible to create a folder named "con" on a Windows computer.

Sometimes the bad things that happen in our lives put us directly on the path to the best things that will ever happen to us.
